Presentations (*since June 2012*)

The Demand for Long-Term Care Insurance in Canada: Risk Perception and Knowledge
Presentation by Pierre-Carl Michaud at the annual meeting of the American Risk and Insurance Association (ARIA), Toronto, 8 August 2017

The Demand for Long-term Care Insurance: Evidence from Canada
Seminar at KU Leuven, Faculty of Economics and Business, Leuven, Belgium, 6 June 2017

The Demand for Long-Term Care Insurance in Canada
Presentation at the conference FINANCING LONGEVITY: The Economics of Pensions, Health, Long-term Care and Disability Insurance, Stanford, California, 24 April 2017

Why is Quebec Considering an Alternative?
Panel presentation on QPP reform at the “Future Well-Being of the Elderly” conference, organized by the *Industrielle Alliance* Chair jointly with the QICSS and the CIRANO, HEC Montréal, Montréal, 6 December 2016

The Demand for Private Long-Term Care Insurance in Canada
International Microsimulation Association's North American Workshop, Washington, D.C., 2 November 2016

Le Québec face à ses défis
Presentation at the 41st conference of the Association des économistes québécois (ASDEQ), Québec City, 19 May 2016

Future Canadian Retirees and their Wealth: Context and Issues
Presentation at the Meeting of the Joint Forum of Financial Market Regulators, Montréal, 6 April 2016

L’allongement des carrières peut-il amoindrir les effets du vieillissement démographique?
Presentation at the cocktail of the Association des économistes québécois, Gatineau, 17 March 2016

Use and Cost of Long-Term Care Facilities in Quebec, 2010-2050
Presentation at a QICSS - CRDCN seminar/webinar, Montréal, 25 January 2016

Consumption and Health at Older Ages
Presentation at the Vers une refondation de l'assurance maladie : constats, principes et propositions colloquium, Le Mans, France, 18 December 2015

Des solutions pour améliorer la performance économique du Québec
Colloque annuel - Perspectives économiques 2016 of the Montréal section of the Association des économistes québécois, Montréal, 27 November 2015

Le vieillissement de la population : Enjeux et perspectives pour le Régime de rentes du Québec
Colloque sur les perspectives démographiques, économiques et financières 2015-2065 of the Régie des rentes du Québec, Québec City, 29 October 2015

Quelles solutions pour assurer la disponibilité de la main d'œuvre?
Presentation at a lunchtime conference of the Association des économistes québécois, Montréal, 26 October 2015

Future Longevity and Population Health Improvements: An Economic Perspective
Sherbrooke International Life Sciences Summit, Sherbrooke, 29 September 2015

Accounting for the Rise of Health Spending and Longevity
11th World Congress of the Econometric Society, Montréal, 21 August 2015

COMPAS: A Microsimulation Model Projecting the Health of Canadians to 2050
Presentation at a Future Elderly Model team workshop, Rome, 16 July 2015

The Effect of Job Loss on Health: Evidence from Biomarkers
4th Society of Labor Economists / European Association of Labor Economics world conference, Montréal, 27 June 2015

The Demand for Private Long-Term Care Insurance: Evidence from Quebec
55th conference of the Société canadienne de science économique (SCSE), ESG UQAM, Montréal, 14 May 2015

Optimal Saving Behavior: Implications for Financial Education and Policy
Presentation at the TIAA-CREF Institute's forum, "Today's Choices, Tomorrow's Opportunity: Innovations in Retirement Policy and Practice , Washington, D.C., 7 May 2015

Santé et longévité : Où allons-nous? Implications pour les régimes de retraite
Presentation at the conference "Financial Challenges of an Aging Population", Ottawa, 27 March 2015

COMPAS : un modèle de microsimulation dynamique
Presentation at the *Industrielle Alliance* Chair's workshop on microsimulation and health, Québec City, 26 March 2015

Les changements démographiques : des enjeux à déchiffrer
13th Colloque des sciences humaines du Collège Ahuntsic, Montréal, 23 March 2015

Évolution future de la santé et des besoins en assurance soins de longue durée des aînés au Québec
Symposium sur les produits d'assurance en soins de longue durée et maladies graves, Québec City, 20 March 2015

COMPAS Health micro-simulation model: Québec, Canada
Presentation at the 2015 Roybal International Meeting, University of Southern California, Los Angeles, 14 January 2015

Optimal Financial Knowledge and Wealth Inequality
Presentation at the 2nd OECD/GFLEC Global Policy Research Symposium to Advance Financial Literacy, "TOWARDS A MORE INCLUSIVE SOCIETY", Paris, 6 November 2014

Modelling Longevity Risk Using Health Simulation Models
Presentation at the Innovation for Financial Services conference, Montréal, 17 October 2014

Optimal Saving Behavior: Implications for Financial Education and Policy
Presentation at the 2014 Fellows Symposium, TIAA-CREF Institute, New York, 19 September 2014

Une analyse économique de propositions visant à bonifier la couverture du risque de longévité
Presentation at the Grande conférence CIRPÉE 2014, Québec City, 3 September 2014

Une analyse économique de propositions visant à bonifier la couverture du risque de longévité
International Economic Forum of the Americas (IEFA), (Conférence de Montréal), Montréal, 9 June 2014

Une analyse économique de propositions visant à boni fier la couverture du risque de longévité
54th conference of the Société canadienne de science économique, Ottawa, 15 May 2014

Optimal Financial Knowledge and Wealth Inequality
University of Arizona, Tucson, Arizona, 4 April 2014

Accounting for the Rise of Health Spending and Longevity
Seminar at the University of Georgia, Athens, Georgia, 24-25 October 2013

Enjeux socio-économiques entourant le risque de longévité
CIRANO Seminar, Montréal, 17 October 2013

Optimal Financial Knowledge and Wealth Inequality
Journées du CIRPÉE, Québec City, 26-27 September 2013

Optimal Financial Knowledge and Wealth Inequality
University of Michigan Conference on Economic Decision Making, Aspen, Colorado, 20-21 September 2013

Ralentir le vieillissement : Les conséquences sur la santé et l'économie
International Economic Forum of the Americas (IEFA), (Conférence de Montréal), Montréal, 10 June 2013

Health Club Attendance, Expectations and Self-Control
Canadian Economics Association conference, Montréal, 31 May 2013

Accounting for the Rise of Health Spending and Longevity
Seminar at Université de Lausanne, Lausanne, Switzerland, 21 Mai 2013

Optimal Financial Knowledge and Wealth Inequality
53rd conference of the Société canadienne de science économique, Québec City, 16 May 2013
