CURRENT POSITION

Associate Professor (with tenure), School of Economics, University of Sydney 2017-
Charles Perkins Centre, leader *Economics of Human Development* research node 2016-
Associate Editor, Journal of Economic Behavior & Organization 2017-

AFFILIATIONS

Visiting Scholar, Department of Economics, University of Chicago, 2015-
Affiliate of the Human Capital and Economic Opportunity Global Working Group, 2016-
Fellow of ARC Centre of Excellence for Children and Families over the Life Course, 2014-
CESifo Research Network Affiliate, 2014-
IZA Research Fellow, Institute for the Study of Labor, Bonn, 2012-
Health, Econometrics, and Data Group (HEDG), University of York, 2007-

RESEARCH AND TEACHING INTEREST

Economics of Human Development; Policy Evaluation; Health, Family, Labour, and Education Economics.

EDUCATION

Ph.D.	Economics	Ruhr Graduate School in Economics, Germany (summa cum laude)	2008
	<i>Committee:</i>	<i>Prof. Christoph M. Schmidt, Prof. Andrew M. Jones</i>	
	Visiting	University of York, United Kingdom	2006
M.Sc.	Economics	University of York, United Kingdom (with merit, GPA 65.6)	2004
Cert.	Economics	University of York, United Kingdom (with distinction, GPA 74.5)	2003
B.A.	Polit. Science	University of Potsdam, Germany (with excellence, GPA 1.4)	2002

PAST POSITIONS

Senior Lecturer (Assistant Professor), School of Economics, University of Sydney, 2014-2016.
Senior Lecturer (Assistant Professor), School of Economics and Finance, Victoria University of Wellington, New Zealand, 2011-2013 and RMIT University, Melbourne 2013.
Research Fellow, Melbourne Institute of Applied Economic and Social Research University of Melbourne, 2008-2010.
Consultant, World Bank, Madagascar country office, Antananarivo, 2001-2002.

On maternity leave January-June 2013

LANGUAGES

German (native), English (fluent), French (advanced), Spanish (basic), Swedish (beginner)

NATIONALITY

German citizen, Australian permanent resident

GRANTS, FELLOWSHIPS & AWARDS

HONORS AND AWARDS

- | | |
|-----------|---|
| 2017 | Named one of ten women to shape the future of the University of Sydney (28 Feb) |
| 2017 | SOAR Fellowship, University of Sydney |
| 2014 | Australian Research Council Discovery Early Career Award |
| 2013 | RMIT University Early Career Researcher of the Year Award |
| 2007 | Fellowship of the Overseas Development Institute (declined) |
| 2006 | Handelsblatt Fellowship, 2nd Meeting of Nobel Laureates in Lindau |
| 2004-2007 | Alfred Krupp von Bohlen und Halbach Foundation Postgraduate Fellowship, Ruhr Graduate School in Economics |
| 2004-2007 | Economic and Social Research Council Postgraduate Fellowship, University of York (declined) |
| 2004 | Teaching Fellowship, University of York (declined) |
| 2003-2004 | Postgraduate Fellowship, German Academic Exchange Service |
| 2001 | Carlo Schmid Fellowship, German Academic Scholarship Foundation |

CATEGORY 1 GRANTS (TOTAL: \$3.8 Million)

- 2015-2020 National Health and Medical Research Council Centre for Research Excellence (A\$ 2,500,000). EMPOWER. With John Lynch (University of Adelaide) and others.
- 2015-2017 National Health and Medical Research Council Partnership Grant (A\$924,761) with Sven Silburn (Menzies School of Health Research, Charles Darwin University) and others. Improving the developmental outcomes of Northern Territory children: a datalinkage study to inform policy and practice in health, family services and education
- 2014-2017 Australian Research Council Discovery Early Career Award (DECRA) (Fellowship). Exceptional Upward Mobility Against All Odds: Non-cognitive skills and Early Childhood Disadvantage. (A\$380,000)

SMALLER GRANTS (TOTAL \$30K)

- 2015 Australian Research Council Centre for Research Excellence' (Life Course Centre). Seed Funding (A\$30,000). The role of human capabilities in facilitating change: Evidence from a randomised controlled trial to assist at risk patients in losing and maintaining weight (with Agnieszka Tymula).

SYDNEY UNIVERSITY INTERNAL GRANTS (Total \$230K)

2017 DVC-Research SOAR Fellowship \$150,000.

2017 Sydney Policy Lab's 2017 Collaborative Projects grants \$22,500 (with Amy Conley Wright).

2017 Strategic Research Excellence Initiative (SREI) award: Behavioral Economics Applied Policy (BEAP) Lab \$25,000.

2016 FASS Faculty Research Support Scheme \$21,827 (with Agnieszka Tymula).

2015 FASS Research Incubator \$5,000.

2015 FASS Workshop funding \$5,000.

CURRENT DATA-COLLECTION PROJECTS

Since Nov 2014: Ongoing

Data: Linked administrative data Northern Territory on all children born in the NT since 1994. Perinatal, Healthy Children under 5, Immunisation, Hospitalisation data, School attendance data, Australian Early Development Census, NAPLAN, Child Protection Services, Criminal justice system, and information on various early childhood interventions (N=4000 children per birth cohort).

Aim: Study dynamics and determinants of human and health capital formation over the life course. Cost-effectiveness evaluation of various early-childhood interventions such as Families as First Teachers.

Funding: NHMRC Partnership grant

Collaborators: Sven Silburn (Menzies School of Health Research, Charles Darwin University)

Since Jan 2016: Ongoing

Data: Linked administrative data on all children born in South Australia since 1999 (same data sources as Project 1 NT), survey and medical examination data. Two randomised control trials will be conducted with the Women's and Children's Hospital and General Practice to improve parenting. (N= 17,000 children per birth cohort).

Aim: Study dynamics and determinants of human and health capital formation over the life course, evaluate cost-effectiveness of various early childhood parenting interventions.

Funding: NHMRC Centre for Research Excellence

Collaborators: John Lynch (School of Public Health, University of Adelaide)

Since July 2015: Ongoing

Data: Experimental and survey data from at-risk patients who are part of a randomised control trial at the RPA Hospital (N=400).

Aim: Identify personality and preference profiles that are associated with success in lifestyle interventions and assess the malleability of personality and preferences.

Funding: ARC Life Course Centre Seed Funding

Collaborators: Agnieszka Tymula, Ian Caterson, Nicholas Fuller (both Boden Institute)

Since April 2015: Completed

Data: Survey data and linked administrative data on first-year students at University of Sydney (N=720).

Aim: Study the returns to non-cognitive skills of disadvantaged students at University of Sydney.

Funding: ARC Early Career Discovery Grant

Collaborators: Rebecca Edwards, Colm Harmon.

TEACHING

[Teaching evaluations in brackets]

Scheduled:

Intermediate Microeconomics, Year 2, 2018, Undergraduate level, University of Sydney

Health Economics and Policy Evaluation, Master, 2018, Postgraduate level, University of Sydney

Completed:

Health Economics and Policy Evaluation (July-October 2015, 2016), Postgraduate level, University of Sydney, Course Coordinator. New course design. [2015 average 4.2; 2016, average 4.7; 5 is the best score]

Econometric modelling in health economics (January 2014), Ludwig-Maximilian University Munich, Germany, short course, February 2014.

Financial Econometrics. Postgraduate, RMIT University, Australia (July-Oct 2013), Course coordinator

Advanced Econometrics B (ECON 409), Honours-year, Victoria University of Wellington, New Zealand (July-October [2011](#), [2012](#)), Course coordinator [Very good 1.5-2.1; 1 is the best score]
 Applied Econometrics (ECON 303), Year 3, Victoria University of Wellington, New Zealand (September-October [2011](#), July-October [2012](#)), Course coordinator. [Very good 1.8-2.1; 1 is the best score]
 Business Statistics (QUAN 102), Year 1, Victoria University of Wellington, Wellington, New Zealand (May-June [2011](#)). [Excellent 1.4; 1 is the best score]
 Mini-lecture at Ruhr Graduate School in Economics on Modelling Heterogeneity in Health Econometrics, 1st year PhD level (July 2009).
 Teaching Assistant: Microeconometrics at Ruhr Graduate School in Economics, 1st Year PhD level (May-July 2006 & May-July 2007).
 Research Seminar in Applied Economics: The Economics of Substance Abuse, graduate level at University of Bochum (May-July 2007).

SUPERVISION

Completed

- [1] 2011 - John Roy, Honours thesis. The persistence of mental health problems. Victoria University of Wellington. ([Funded summer research internship](#))
- [2] 2012 - Michael Alspach, Honours thesis. The economic burden of depression (in collaboration with Compass Health, NZ). Victoria University of Wellington. ([Funded summer research internship](#))
- [3] 2015 - Edward Francmanis, Master thesis, University of York. Early-Life Health Investments and Human Capital Formation: Evidence from Special Care Nursery Assignment in the Northern Territory. Charles Perkins Centre, University of Sydney ([scholarship funded](#)). Joint with Dr Kevin Schnepel.
- [4] 2015-Tara Hariharan, Honours thesis. Adverse childhood experiences and adulthood health outcomes. Charles Perkins Centre, University of Sydney.
- [5] 2015-2016. Rosemary Elkins, Master thesis project and Charles Perkins Centre Summer Scholar. Charles Perkins Centre, University of Sydney. ([Funded summer research internship](#))
- [6] 2016-Jason Gaitz, Honours thesis. Baby bonus and human capital development. Charles Perkins Centre, University of Sydney.
- [7] 2016- Chiara Pastore, Master thesis, University of York. Health behaviors and economic preferences. Charles Perkins Centre, University of Sydney ([scholarship funded](#)) (with Agnieszka Tymula).
- [8] 2017: Yuhan Xu, CPC Summer Scholar (with Marian Vidal Fernandez and Susan Carrick). ([Funded summer research internship](#)).
- [9] 2017: Aurelie Meunier, University of York, Master thesis, Baby Bonus and children's health outcomes, Charles Perkins Centre, University of Sydney ([scholarship funded](#)) (with John Lynch).
- [10] 2017: Angus Wheeler, Honors thesis, The Land of a 'Fair Go': How does Australian Intergenerational Mobility Compare to Other Developed Countries? University of Sydney.
- [11] 2017: Kristian Trajkowski, Honors thesis, Understanding the mechanisms through which adverse childhood experiences affect lifetime economic outcomes, University of Sydney.
- [12] 2017: Rachael Gibson, Honors thesis, Do Cognitive and Non-Cognitive Skills Moderate the Impact of Socioeconomic Status on Academic Performance at University? University of Sydney.
- [13] 2017: Mary-Alice Doyle, Master thesis, Do welfare restrictions improve child health? Estimating the impact of income management in the Northern Territory, University of Sydney.
- [14] 2018: Jason Burjaroski, University of Wollongong (with Peter Siminski and Alfredo Paloyo)

Current

- [15] Since 2014 -Shun (Felix) Leung, PhD thesis, University of Sydney ([scholarship funded](#)).
- [16] Since 2017: Nathan Kettlewell, postdoctoral researcher (with Deborah Cobb-Clark)
- [17] Since 2017: Sehrisch Mohammed Hussein, PhD thesis, ANU (with Juergen Meineke)
- [18] From July 2018: Lena Hassani Nezhad, postdoctoral research fellow (2018-2020).

RECENT PRESENTATIONS & RESEARCH VISITS VISITING SCHOLAR

Visiting Scholar, University of Chicago, Department of Economics and Centre for the Economics of Human Development; Host: James J. Heckman (April-June 2015; May 2016; Oct-Nov 2017).
Visiting Scholar Centre for Economic Studies (CES), Ludwig-Maximilian University, Munich, Germany via CES Research Visitor Program (13 January-8 February 2014).

RECENT SEMINARS/CONFERENCES

Seminars and Conferences in 2018 (so far scheduled): University of Essex (5-7 March), Institute of Fiscal Studies London (12-14 March), NCDS conference London (7-8 March), University of Melbourne 22 February, ANU (27 February), Monash University (21 March), University of Western Australia (23 March), University of Auckland (26 March), University of Melbourne (28 March), Australian Health Econometrics and Economics Workshop (25-27 April); SOLE (5-7 May 2018, Toronto), ESPE (24-26 June 2018, Ghent).

Seminars and Conferences in 2017: University of Chicago (13 November), Cornell University (7 November), RMIT University (13 October), University of Melbourne (11, 12 October), University of Otago (15 September), Victoria University of Wellington (14 September), Australian National University (April, August), University of Technology Sydney (5, 6 April), Macquarie University (31 March). Scheduled: Inaugural Meeting of the Australasian Society of Labour Economists, ANU, Canberra 7-9 Dec, Special session: “Economics of Human Development”. ARC Life Course Centre Conference, 26 October, European Association of Labour Economists Meeting, St Gallen, 21-23 September, Verein fuer Socialpolitik, Vienna, 5-6 September. WOLFE Workshop, University of York 4 September, Australian Conference of Economists, Special Session: “Economics of Human Development”, 21 July, Department of Health and Behavioral Insights Unit Meeting, 13 July 13, Society of Labor Economists (SOLE) Meeting, Raleigh, NC, 5-6 May.

Seminars and Conferences in 2016: University of Queensland (24 October), University of Chicago (25, 27 May) IZA Bonn (4-9 July), University of Munich LMU (14 June), Women’s and Children’s Health Network Adelaide (26 April), Early Child Development Workshop, University of Erlangen-Nuremberg, 28-29 August, Bavarian Graduate Program in Economics Mini Workshop, 29-30 June, Ce Squared Workshop and CENEA, CEMMAP, Warsaw 27-28 June, Essen Health Conference on Fertility, 27-29 May

Seminars and Conferences in 2015: University of Chicago (9 June), University of Wisconsin-Madison (13 May), Congress of the European Economic Association, August (Rep by Sonja Kassenboehmer), Australian Conference of Economists, July (Represented by Felix Leung), Western Economic Association International, Wellington, New Zealand, 8-11 January.

LEADERSHIP

Taskforce leader to implement a Living Lab strategy at University of Sydney at Westmead Hospital, Western Sydney (delegated by the Vice Chancellor of University of Sydney) 2018 ongoing
Scientific committees: Essen Health Economics Conference (since 2016), European Society of Population Economics (ESPE) Conference (2018)
Candidate for Council of ESPE (by invitation, 2017)
Nomination into the University of Sydney steering committee to draft the academic strategy for “Westmead: Beyond the Sum of its Parts” (delegated by the Vice Chancellor of University of Sydney) 2017-
Nomination into the Northern Territory Prime Minister and Cabinet Proof of Concept Study “Indigenous Early Childhood Interventions” as part of Malcolm Turnbull’s Innovation Statement. 2015-
Establishing a [research node](#) within the Charles Perkins Centre: “Economic of Human Development” 2014-

ACADEMIC ENGAGEMENT

Scheduled: Co-organisation of Labour Econometrics Workshop (LEW), School of Economics, University of Sydney, August 2018 (with Kevin Schnepel and Deborah Cobb-Clark).
Organisation of a 1-day mini-workshop, “Participation in crime and STEM education: the role of a child’s gender and sibling-gender composition” 1 December 2017, School of Economics, University of Sydney.

- Co-organisation of a 1-day workshop “The Social Science of Obesity” 1 April 2016. Charles Perkins Centre (with Alfredo Paloyo and Deborah Cobb-Clark)
- Organisation of one-day workshop “Workshop on early childhood and adolescence: interventions to improve parenting, health, and behavioral outcomes”, 4 Dec 2015. Charles Perkins Centre. (with Kevin Schnepel).
- Organisation of 1 ½ -day workshop “Upward Mobility, Cognitive and Non-cognitive skills, and the Role of Policy”, 13-14 November 2014, Charles Perkins Centre.
- Organisation of 1st and 2nd Applied Health Economics Workshop at Victoria University Wellington in collaboration with the Health Services Research Centre, 31 October 2011 and 2012.
- Organisation of the weekly Microeconometrics Workshop at the Department of Economics, University of Melbourne (July 2009-June 2010).
- Organisation of a 1-day-workshop on “Methods in panel and cohort data” (16 April 2010) at the Department of Economics and Melbourne Institute, University of Melbourne.
