

# CURRICULUM VITAE

## PERSONAL DETAILS

---

Full name: Hielke Buddelmeyer

Date of birth: 4 March 1971

Nationality: Australian; Dutch.

## ACADEMIC QUALIFICATIONS

---

2001 *PhD in Economics*, New York University, USA  
Title: Disability Insurance and Labor Supply  
Committee: Professors Christopher Flinn (Chair), Michael Keane, Frank Vella, Jason Cummins, and Antonio Merlo

1995 *Masters of Science in econometrics*, Vrije Universiteit Amsterdam, The Netherlands

## EMPLOYMENT HISTORY

---

2010-current *Senior Research Fellow (Level C)*  
Melbourne Institute of Applied Economic and Social Research  
The University of Melbourne

2003-2010 *Research Fellow (Level B)*  
Melbourne Institute of Applied Economic and Social Research  
The University of Melbourne

2000-2003 *Research Associate*  
Institute for the Study of Labor (IZA)  
Bonn, Germany

1997-2000 *Research Assistant*  
Furman Center for Real Estate and Urban Policy at New York University,  
New York, USA

## RESEARCH

---

### Grants

2014-15 Melbourne School of Government Collaborative Research Agreement (Research Cluster Programmes) 'Renewing Australian Federalism'. Partner researchers from the University of Melbourne, Griffith University, and the Victorian Department of Premier and Cabinet. Total budget \$150,000.

2013-14 Faculty Research Grant. 'Immigration policy and the labour market outcomes of recent migrants'. Principle Researchers van de Ven, J. and Buddelmeyer, H.; \$16,335.

2008-09 Faculty Research Grant. 'Interrelated dynamics of income and health'. Principle Researchers Cai, L. and Buddelmeyer, H.; \$16,000.

2005: Faculty Seeding Grant: Evaluation. Grant amount: \$25,000. Principle Researchers Borland, J., Buddelmeyer, H., Tseng, Y.P., and Wilkins, R.

2004-05: Faculty Seeding Grant: MITTS. Grant amount: \$90,000. Principle Researchers Buddelmeyer, H., Cai, L., Creedy, J., Kalb, G., Smith, P., and Summers, P.

### Books

Buddelmeyer, H., Creedy, J., and Kalb, G. (2007), Tax Policy Design and Behavioural Microsimulation Modelling, Cheltenham, United Kingdom: Edward Elgar Publishing, ISBN: 978 1 84542 914 0.

### Chapters in books:

Buddelmeyer, H. (2013), 'Social Inclusion, Growth, and Inclusive Growth', in Inclusive Growth in Australia: Social policy as economic investment, eds. Buchanan, J. and Smyth, P., Allen & Unwin, Australia, June 2013, ISBN 9781743311301.

\*Buddelmeyer, H., Mourré, G., and Ward, M. (2008), 'Why Europeans work part-time. A cross-country panel analysis', Research in Labor Economics, 2008, Volume 28, Work, Earnings and Other Aspects of the Employment Relation, eds. Polachek, S.W. and Tatsiramos, K., Philadelphia, United States: JAI Press, pp 81-139, ISBN 780762313976.

\*Buddelmeyer, H., Mourré, G. and Ward, M. (2005), 'Recent developments in part-time work in EU countries: Trends and Policy', in Labor Supply and incentives to work in Europe, eds. Gomez-Salvador, R., Lamo, A., Petrongolo, P., Ward, M. and Wasmer, E. Edward Elgar, 2005, ISBN 1 84542 129 9

Buddelmeyer, H. and Vu, H. (2004) "Who Uses Child Care", Final report prepared for the Department of Families and Community Services (FaCS).

## TEACHING

---

2012 *The Melbourne Institute*

Developed and provided a special 2 hour lecture on behavioural microsimulation and income inequality to a 25 person delegation from the National Bureau of Statistics of China, National Accounts division.

2005 *The Australian Treasury*

In conjunction with my colleagues Kalb, G., Creedy, J., and Cai, L. developed and provided a tailored on-site training course to Treasury on the use of the Melbourne Institute's behavioural microsimulation model.

2005 *The University of Melbourne*

In conjunction with colleagues Borland, J., Tseng, Y.P. and Wilkins, R. developed and taught "Special Topics in Advanced Econometrics: Policy and Programme Evaluation and Design", Graduate level, Semester 2, 2005. This course was developed under the Faculty Research Grant: Evaluation.

1995-1999 *New York University*

Instructor, Principles of Economics Workshop, Higher Education Opportunity Program (HEOP), Undergraduate level, Fall 1998, Spring 1999, Summer 1999 and Fall 1999.

Teaching Assistant Advanced Micro Econometrics, Ph.D. level, Spring 1996 & 1997.

Instructor, Intermediate Macroeconomics, Undergraduate level, Fall 1996.

Teaching Assistant Introductory Econometrics, Ph.D. level, Spring and Fall 1995.

## CONFERENCES AND SEMINARS

---

### *Conferences & Workshops*

2014: Workshop Honouring Paul Miller, 11 – 12 November, Fremantle. Presented ‘When General Skills Are Not Enough: The Influence of Recent Shifts in Australian Skilled Migration Policy on Migrant Employment Outcomes’

2014: EEA-ESEM Conference, 25 – 29 August 2014, Toulouse. Presented ‘The Psychic Cost of Children’.

2014: ‘No Frills’ Conference, 9-11 July 2014, Melbourne. Presented ‘An overview of three years’ worth of VET research’.

2013: HILDA Research Conference, 3-4 October 2013, Melbourne. Presented ‘Non-standard ‘Contingent’ Employment and Job Satisfaction: A Panel Data Analysis’

2013: ‘No Frills’ Conference, 10-12 July 2013, Mooloolaba. Presented ‘The effect of schools in retaining disadvantaged youth in education’.

2013: NYU Alumni Conference, 31 May - 1 June 2013, New York. Presented ‘How Windfall Income Increases Gambling at Poker Machines’.

2012: European Meeting of the Econometric Society (ESEM), 27-31 August 2012, Malaga, Spain. Presented ‘Explaining the SES School Completion Gap’.

2012: ‘No Frills’ 21st National Vocational Education and Training Research Conference, 12-13 July 2012, Adelaide. Presented ‘Educating oneself out of social exclusion’.

2011: Inclusive Growth in Australia Roundtable: Towards a Roadmap for Shared Prosperity; 20–21 October 2011, Fitzroy. Presented ‘The role of education for inclusion and growth’.

2011: Melbourne Institute Forum, 27 & 29 September 2011, Canberra and Melbourne, respectively. Presented ‘A brief analysis of recommended and proposed changes to personal tax’.

2011: Asian Meeting of the Econometric Society, 10-13 August 2011, Seoul. Presented ‘New insights into the dynamics of the South African labour market’.

2011: ‘No Frills’ 20th National Vocational Education and Training Research Conference, 13-15 July 2011, Coffs Harbour. Presented ‘Scarring Effects of Youth Joblessness’.

2011: Econometric Society Australasian Meeting, 5-8 July 2011, Adelaide. Presented ‘Parent's perception of their children's weight’.

2011: NCVET Research Forum, 28 June 2011, The University of South Australia. Presented 'Is VET Worthwhile? Lessons from Studying Labour Market Outcomes'.

2011: NYU Alumni Conference, 2 June 2011, New York. Presented 'New insights into the dynamics of the South African labour market'.

2011: Australasian Retail Credit Risk conference, 6 April 2011, Gold Coast. Presented 'A new household expenditure measure as an alternative to the Henderson Poverty Line'.

2010: 21<sup>th</sup> Australian Labour Market Research Workshop, 13-14 December 2010, Adelaide. Presented 'Scarring Effects of Youth Joblessness'.

2010: DEEWR SPRS Workshop, Canberra, 11 November 2010. Presented 'Transitions of income support recipients with incapacity exemptions'.

2010: Panel and Longitudinal Data: Methods and Applications Workshop, Wednesday 14 April 2010, The University of Melbourne. Presented 'Dynamics of informal employment in South Africa'.

2010: 20<sup>th</sup> Australian Labour Market Research Workshop, 15-16 February 2010, Sydney. Presented 'Post-school Qualifications and Labour Market Transitions among Young Australians'.

2009: DEEWR SPRS Workshop "Social Inclusion and Disadvantage", Canberra, 11-12 November 2009. Presented 'Combining income support and earnings'.

2009: 15th International Conference on Panel Data, Bonn, Germany, 3-5 July 2009. Presented 'Transitions from Casual Employment in Australia'.

2009: EcoMod International Conference on Policy Modeling, Ottawa, Canada, 24-26 June 2009. Presented 'Disaggregation of CGE Results into Household Level Results through Micro-Macro Linkage: Analysing Climate Change Mitigation Policies from 2005 to 2030'.

2008: DEEWR SPRS Workshop "Building roads to employment", Canberra, 28 October. Presented "What determines how long women stay out of the workforce after the birth of a child?"

2008: EcoMod 2008 International Conference on Policy Modeling, Berlin, Germany, 03 July. Presented 'Labour Supply and Welfare Participation in the Australian Population: Using Observed Job Search to Account for Involuntary Unemployment'

2008: Labour Econometrics Workshop, ANU Canberra, 25 April. Presented 'Transitions from Casual Employment in Australia'.

2008: 2008 Economic and Social Outlook Conference "NEW AGENDA FOR PROSPERITY", The University of Melbourne, 27 March. Gave a presentation entitled 'Some observations on labour market transitions and welfare-to-work'.

2007: Australian Conference of Economists 2007, Hobart Tasmania, 25 September. Presented 'Labour Supply and Welfare Participation in the Australian Population: Using Observed Job Search to Account for Involuntary Unemployment'

2007: DEWR SPRS Workshop "Changing nature of work and welfare", Canberra, 20 September. Presented 'Use of Informal Childcare and Decisions on Work by Income Support Recipients'

2007: HILDA 2007 Conference, The University of Melbourne, 20 July. Presented 'Transitions from Casual Employment in Australia'

2006: Australian Conference of Economists 2006, Curtin University of Technology, 25 & 26 September. Presented two papers: 'Innovation and the Determinants of Firm Survival' and 'The Dynamics and Persistence of Income Poverty in Australia'

2006: DEWR SPRS Workshop, Canberra, 2 & 3 May. Presented two papers: 'The Dynamics of Income Support Receipt among New Income Support Customers' and 'Transitions from Casual Employment in Australia'.

2005: Workshop on the Economics of Alcohol, Tobacco and Illicit Drugs, Turning Point Alcohol and Drug Centre, Fitzroy, 30 November. Presented 'The effect of smoking ban regulations on individual smoking rates.'

2005: HILDA Survey Research Conference 2005, The University of Melbourne, 30 September. Presented 'The effect of smoking ban regulations on individual smoking rates.'

2005: Workshop: The next generation: Building a bridge between microsimulation, life-cycle, and macroeconomic models, Melbourne Institute, 09 May. Presented 'Challenges and opportunities in MITTS for building a bridge with lifecycle and macro models.'

2005: Australian Child Care beyond 1 July 2005 - What you need to know, Caulfield Racecourse Melbourne, 17 June. Presented 'Workforce participation: what does it mean for child care? A summary of findings from the first two waves of HILDA data.'

2004: Social Policy Research Workshop, Department of Family and Community Services, Canberra, 8–9 November. Presented 'Who uses child care, for what purpose and what is their experience of balancing work and family life.'

2004: 7th Australasian Labour Econometrics Workshop, University of Auckland, 13–14 August. Presented the paper 'Children and women's participation dynamics: Direct and indirect effects.'

2004: 18th Annual Conference of the European Society of Population Economics, Bergen, Norway, 10–12 June. Presented the paper ‘The effects of child care costs on the labour market participation and hours worked by Australian mothers.’

### Seminars

2007: ANU RSSS Seminar Series, Canberra, 25 May. Presented a paper entitled ‘Parent’s perception of their children’s weight’.

2005: Microeconometrics Seminar, The University of Melbourne, 30 March. Presented ‘The effect of smoking ban regulations on individual smoking rates.’

2004: Monash University Seminar Series, Department of Econometrics and Business Statistics, 10 September. Presented a paper ‘An evaluation of the performance of regression discontinuity design on PROGRESA’.

2004: Microeconometrics Seminar, The University of Melbourne, 3 March. Presented the paper ‘Part-time work in EU countries: Labour market mobility, entry and exit.’

### Selected media contributions and references (from 2004 to 2012):

On 03 November 2012 The Weekend Australian reports on the role of education in overcoming social exclusion based on the report ‘Educating oneself out of social exclusion’ for NCVET, in an article entitled ‘Basic education vital for inclusion’.

On 16 October 2012 The Australian includes various quotes in an article dedicated to identifying potential budget savings entitled ‘“Tough political ask’ to reform family benefits’.

Op-Ed piece entitled ‘Enriched by Kids, Tax-Wise’, The Australian, 9 July 2010, page 12.

[http://www.melbourneinstitute.com/downloads/news\\_and\\_events/Single%20tax-transfer2.pdf](http://www.melbourneinstitute.com/downloads/news_and_events/Single%20tax-transfer2.pdf)

On 24 October 2008 The Herald Sun reports on research into the number of households that are solely dependent on government income in an article ‘Kids face fact of life on welfare’.

Op-Ed piece entitled ‘Robbing Peter to pay Paul not the answer’, The Weekend Australian, 4/5 October 2008, page 22.

[http://www.melbourneinstitute.com/news/news/OpEds/SS\\_081004\\_tax.htm](http://www.melbourneinstitute.com/news/news/OpEds/SS_081004_tax.htm)

From 20 September to 15 October 2008 the report on ‘churn’ in the Australian tax and transfer system results in a series of newspaper articles: The Australian (5 different articles, one of them front page); The Weekend Australian (3 different articles, one of them front page); Australian Financial Review (page 59); The Sunday Tasmanian (page 3). News bulletins covering the report include: ABC 774 Melbourne; ABC 702 Sydney;

ABC 936 Hobart; ABC 891 Adelaide; ABC 720 Perth; 2SM Sydney; 2UE Sydney; and 6PR Perth.

On 29 March 2008 The Weekend Australian (front page) reported on a presentation made at the 2008 New Agenda for Prosperity Conference, held at The University of Melbourne, in an article entitled "Welfare: tough love backfires".

Op-Ed piece entitled "Tax Changes the Work Equation" in The Australian Financial Review, 18 October 2007, page 79 (inside back page).

[http://www.melbourneinstitute.com/news/news/OpEds/HB\\_GK\\_071018\\_tax\\_changes.htm](http://www.melbourneinstitute.com/news/news/OpEds/HB_GK_071018_tax_changes.htm)

Interviewed on 19 July 2007 on Life Matters (Radio National) in regards to the study on transitions from casual employment in Australia. The same study received coverage on 28 October 2007 in the Sunday Mail Brisbane (page 45).

Over the period 12 to 15 May 2006 the study on policy options to encourage welfare to work received coverage on radio -ABC 666 Canberra (National Australia)- and in print (The Australian and The Weekend Australian -both front page).

On 4 January 2006 the study on smoking bans received more coverage in the Sydney Morning Herald (page 11).

Between 1 and 11 October 2005 a study comparing the alternative tax proposals by the two Members of Parliament Emerson and Turnbull was well covered by a combination of various media outlets: Channel 7 (Sydney, Adelaide, Perth, Brisbane and Melbourne); AAP Newswire; The Weekend Australian (front page); The Australian (front page and page 2); Courier Mail (page 13); 6PR (Perth); 2UE (Sydney); 3AW (Melbourne); 4BC (Brisbane); 2SM (Sydney); 5AA (Adelaide); 2CC (Canberra); Gold FM (Gold Coast West); Sea FM Gold Coast (Gold Coast West); MIX FM (Melbourne); SKY (Sydney); SKY2 (National Australia); GOLD FM 104.3 (Melbourne); Southern Cross Tasmania.

On 29 and 30 September 2005 the research on smoking bans received widespread coverage in Australian media, including an interview on the ABC's evening news: 3AW (Melbourne, Neil Mitchell); Nova Adelaide; MIX FM (Adelaide); ABC 612 Brisbane; Hobart Mercury (page 4); Northern Territory News (page 14); Courier Mail (page 5); ABC Central Australia; ABC 774 Melbourne; ABC Darwin (Darwin); The Age (page 3); Triple M (Brisbane); Adelaide Advertiser (page 4); ABC NSW Statewide

On 8 June 2005 the same minimum wage research was reported on after the actual increase in the minimum wage was announced: The Australian (front page); ABC 666 Canberra (PM, Breakfast, and news bulletins); Radio National (Radio National's PM); Breakfast 6PR (Perth); SKY2 (National Australia, First Edition); 2GB (Sydney, Alan Jones); WIN Sunshine Coast (WIN News, Maroochydore); Channel 7 (Seven Morning news and Sunrise)

On 14 March 2005 various news outlets reported on work that showed some families with a single earner on the minimum wage would see net household income decline as a result of a proposed increase in the minimum wage: ABC 666 Canberra; AAP Newswire; SBS (National Australia) evening news; The Australian (front page).

From 7 to 17 September 2004 the work done on the 'Australian Labor Party (ALP) Tax and Family Benefit Package' gets wide national coverage in all the major papers and radio stations as this is the tax policy the ALP took to the 2004 elections.

From 21 February to 28 February 2004 the report Bracket Creep, Effective Marginal Tax Rates and Alternative Tax Packages results in a series of newspaper articles: The Australian (3 different articles); The Weekend Australian (7 different articles, two of them front page); Sunday Times Perth (page 9); Sunday Canberra Times (page 10). News bulletins covering the report include: Channel 10; 4BC Brisbane; 3AW Melbourne; SKY Melbourne; and 2UE Sydney.
