

Curriculum Vitae

Name: Sarmistha Pal

Job title: Professor

Gender: Female

Citizenship: UK

Office: Room 10 MS 02, Faculty of Business, Economics and Law, University of Surrey, Guildford GU2 7XH, Surrey, UK. **Telephone:** +44 (0)1483 686354

Home address: 5 West Drive, High Wycombe Bucks HP13 6JT, UK. Tel 01494 446303; mobile: 07722069656

E-mail: s.pal@surrey.ac.uk.

Alternative email: palsarmistha01@gmail.com

Education: BSc Economics (1st class, Calcutta 1985), MSc Economics (1st class Calcutta 1987) MPhil Economics (Top 1%, St. John's College, University of Cambridge 1989), PhD Economics (London School of Economics 1995)

Membership of Professional Organisations

- (i) Research Affiliate, CSAE, University of Oxford (since 2008)
- (ii) Research Fellow, IZA, University of Bonn, Germany (since 2007)
- (iii) Member, Royal Economic Society
- (iv) Member American Economic Association
- (v) Member, Comparative Economic Association
- (vi) Member, Applied Economics Research group, University of Surrey

Editorial Board Membership: Journal of Development Studies (ABS 3*).

Past employment:

- (i) 1987-1988: Junior Research Fellow, Economic Research Unit, Indian Statistical Institute, Calcutta.
- (ii) October 1989-June 1992: College Tutor in Microeconomics (first year undergraduates) and Statistics (third year undergraduates), St. John's College, University of Cambridge.
- (iii) October 1989 – June 1990: Tutor, Quantitative Methods, MPhil in Economics, Faculty of Economics, University of Cambridge.
- (iv) January - December 1993: Research Assistant, Department of Applied Economics, University of Cambridge.
- (v) October 1993-September 1994. Research Assistant, STICERD, London School of Economics.
- (vi) January 1995-June 1996: Lecturer, Department of Economics, University of Wales Aberystwyth.
- (vii) July 1996-August 2004: Lecturer, Economics Section, Cardiff Business School, University of Wales Cardiff.
- (viii) September-December 2004: Senior Lecturer in Economics, Cardiff University.

(ix) January 2005- December 2011: Reader, Brunel University.

(x) January 2012 onwards: Chair in Financial Economics, Surrey Business School, University of Surrey.

Awards/Scholarship

- 1979-84: National Merit Scholarship, Government of India.
- 1988-92: Government of India Scholarship to study in the UK.
- 1992-93: Studentship, St. John's College, University of Cambridge.
- 1993-94: Scholarship, Cambridge-Nehru Trust

Academic Visit

(i) July 1999 – June 2000: Research Associate, Centre for Business Research, Department of Applied Economics, University of Cambridge.

(ii) September 2003-August 2004: Visiting Research Fellow, Development Studies Institute, London School of Economics.

(iii) April-May 2007: Department of Applied Economics, University of Minnesota.

(iv) January-March 2008: CSAE, Department of Economics, University of Oxford.

(v) January-March 2008: Chief Economist's Office, EBRD.

(vi) October-December 2008: Department of Economics, University of Oxford.

(vii) November 2008: Human Development Division (South Asia), World Bank, New Delhi.

(viii) March-April 2009: Department of Applied Economics, University of Minnesota.

(ix) June 2009: UNU-WIDER Helsinki.

(x) April 2010: Department of Applied Economics, University of Minnesota, Minneapolis

(xi) June 2011: Department of Development Economics, VU, Amsterdam

(xii) September 2011: IZA, University of Bonn, Germany

(xiii) January-March 2012: CSAE, University of Oxford

(xiv) August 2013, Department of Economics, National University of Singapore

(xv) April 2014: Judge Business School, University of Cambridge

(xvi) May 2014: Department of Applied Economics, University of Minnesota

Current Teaching: Masters Quantitative Method

Past Teaching: Masters Development Finance (Cardiff), Masters Development Finance: A Microeconomic Perspective (Brunel University); UG Level 2 Introduction to Economic Modelling (Brunel); UG Level 2 Development Economics (Brunel); UG Level 1 Introduction to Statistics (Aberystwyth and Brunel); UG Level 3 Issues in Microeconomic Theory (Aberystwyth); International Trade and Economic Development (Cardiff University).

External Examiner for Microeconomics modules, Department of Economics, City University London.

Current Administration: Head of PhD Programme

Past administration: Organiser of staff seminars (Aberystwyth, Cardiff, Brunel, Surrey); UG Admission Tutor (Cardiff), Member School Board (Cardiff); PhD Admission Tutor (Brunel); Senior Tutor in charge of NSS (Brunel), UG Dissertation Director (Brunel).

Research

Research interests: Applied public Economics/Finance: economics and politics of public goods provision, public-private management, emerging markets banking and corporate finance, culture

and institutions, FDI and institutions, national and corporate governance.

Special Issue Editor: Erik Berglöf (Chief Economist of the European Bank for Reconstruction and Development, EBRD) & Sarmistha Pal, 2007. "Symposium on Corporate Governance," *The Economics of Transition*, The European Bank for Reconstruction and Development, 15(3): 429-432.

Refereed Journal Publications

(1) Pal, S. 1996. 'Casual and Regular Contracts: Workers' Self-Selection in the Rural Labour Markets in India', *Journal of Development Studies*, 33 (1): 99-116.

Manuscripts/articles in edited Book

- (1) Kynch, J. and S. Pal. 2000. The Dynamics of Poverty: Occupational Mobility in Rural India' in N. Perdakis (ed.) *Indian Economy: Contemporary Issues*, Ashgate.
- (2) Pal, S. and R. Palacios. 2006. 'Old Age Poverty in the Indian States: What the Household Data Can Say?', Pension Reform Primer working paper series, World Bank, Washington DC.

Papers Under review (all papers are available from IZA and/or SSRN)

- (1) Pal, S. and B. Saha. 2014. 'In Trusts We Trust: Socially Motivated Private Schools in Nepal'. This research has been funded by the Leverhulme Research Fellowship.
- (2) Pal, S and Zaki Wahhaj. 2014. 'Fiscal Decentralisation, Local Institutions and Public Goods Provision: Evidence from Indonesia'.
- (3) Pal, S. 2014. 'Corruption and Cross-Border Investment: New Evidence from New Europe', research funded by ESRC
- (4) Maitra, P., S. Pal and A. Sharma. 2014. 'What Explains Gender Gap in Private School Enrolment: Evidence from India'. This research has been funded by the Leverhulme Research Fellowship.
- (5) Kwaku, D. and S. Pal. 'Mandated Representation and Allocation of public school inputs across Indian districts.
- (6) Pal., S. 'Impact of hospital delivery on Child mortality: Case of adolescent mothers in Bangladesh'.

Work in Progress

- (1) Banerjee, S., R. Masulis and S. Pal. 2014. 'Does more transparency and disclosure necessarily boost firm performance? Recent Evidence from Russia.'
- (2) Pal, S and J. Roy. Fiscal Decentralisation and Development: How Crucial is Local Politics?
- (3) Pal, S., B. Saha and G. Kingdon. 2014. 'Private School Growth and 'Education for All': Tracing the aggregate effects at the district-level'. This research has been funded by the Leverhulme Research Fellowship.
- (4) Montej-Rojas, G. and S. Pal. 'Public Pain and Private Gain: A Regression Discontinuity Analysis of Dual Practice of Public Doctors in Indonesia
- (5) J. Fisher, S. Ghosh and S. Pal. Multiculturalism and Public Policy: Recent Evidence from London Boroughs.
- (7) Pal. S. and B. Saha: 'Self-employment and Child Labour: Theory and Evidence'
- (8) Bhaumik, S. Owolabi, O. and S. Pal. 'Corruption and Mode of Foreign Bank Entry: Recent evidence from CEE transition countries.

PhD Supervision: I am interested to supervise students aiming to work on Public Economics, Public Finance, public/private management of education and health sectors, political economy of public goods provision, emerging market banking and corporate finance, corporate governance, culture, institutions and globalisation.

PhD students who have graduated:

Oluwarotimi Owolabi (Brunel): Banking and Corporate Finance in Transition countries completed in 2011

Mihails Kuznecovs (Brunel): FDI, Corporate finance and governance in Transition – Implications for energy sector firms, completed April 2012

Dickson Twum-Boateng Kwaku (Brunel) 'Three Essays on Financing Education: Evidence from around the world' completed January 2014

Current PhD students:

Chen Zhao (Surrey): Corporate Governance Reform, Crosslisting, and Capital Structure

Xingang Wang (Surrey): Age at IPO and firm performance before and after the 2008 Crisis: Evidence from the AIM Market

Zoya Saher (Surrey): Law and Capital Structure in India

Recent research grant/fellowship

School of Social Sciences Away Day Grant June 2010: £1500 (jointly with Justin Fisher (Politics) and Sugata Ghosh (Economics) of Brunel University) on 'Ethnic Diversity, Political Participation and Economic Performance: An Analysis of Local Governments in England and Wales'.

ESRC standard grant RES-062-23-0986 (£160,000) (April 2008- March 2010): 'FDI, Ownership and Corporate Governance in Europe (joint with Nigel Driffield, Aston and Tomasz Mickiewicz, UCL). I am the co-applicant and my involvement in the project will entail Brunel a sum of 20k. Leverhulme Research Fellowship: 'Private Schooling and Universal Education' September 2008-August 2009 (principal applicant). Total amount of the fellowship is about £15253.

ESRC small grant RES-000-22-0200 (£43804.00), October 2003- September 2005: 'CORPORATE CAPITAL STRUCTURE IN EAST ASIA BEFORE AND AFTER THE CRISIS'- Principal applicant.

Other research grants/award

- January-March 2008. Brunel Research Leave Award to conduct research on Public and Private Schooling in India
- 2000-2001: Seedcorn Funds (£1000.00), Cardiff Business School – to conduct research on Child Labour in Peru.
- 1998-2000: Young Researcher's Initiatives, University of Wales Cardiff (£5000.00) to conduct research on Fertility, Reproductive Health and Child Care in India.
- 1994: Charles Wallace India Trust (£1000.00)- to do a survey of family background of regular labour in Andhra Pradesh, India.
- 1991-92: Smutts Memorial Fund, University of Cambridge (£1000.00): to conduct a field survey of labour market conditions in Aurepalle in Andhra Pradesh, India.

Research consultancy

Current research consultancy: "'Understanding Activity Based Learning (ABL) in Tamil Nadu: Innovation in Pedagogy, Political Economy of Scale-Up and the Impact on Learning Outcomes"' based at the University of Cambridge

Past consultancy: (i) 1998-99: Statistical Consultant for a Home Office funded project 'Risk and Needs Assessment in Probation Services: An Evaluation' (published as Home Office Research Study 211) on behalf of Peter Raynor (criminologist) and Jocelyn Kynch (gender specialist) of the School of Development Studies, University of Swansea. (ii) 1999-2000: statistical consultant to an IFC project for Professor Ajit Singh (Cambridge) and Jack Glen (IFC). (iii) 2004-2008: Consultant for the Pension Primer wing of the World Bank. (iv) 2014-15: DFID consultancy based in University of Cambridge.

Invited speaker at conference/workshop:

(i) World Bank Conference on Social Protection for the Elderly in India 20-21 January 2004 (New Delhi): Do Children Act As Old Age Security in Rural India? Evidence from an Analysis of Elderly Living Arrangements'.

(ii) World Bank Conference on 'Equity in South Asia' 6-7 December 2004 (New Delhi): 'A Political Economy Explanation of the Under-Investment in Basic Education in India.'

/

(iii) Bristol workshop on 'Child Health in Developing countries, 15-16 June 2005 (Bristol, England): 'Early Child Birth, Health Inputs and Child Mortality in Bangladesh'.

(iv) World Bank Conference on 'Closing the Coverage Gap', 20-22 February 2008, Hitotsubashi University, Tokyo: 'Understanding Old Age Poverty in the Indian states: Implications for Social Pension Program'.

(v) UNU-WIDER workshop on Role of Elites in Economic Development 11-13 June 2009 'The Elite and the Marginalised: An Analysis of Public Spending in the Indian States'.

(vi) Warwick Workshop on Education and Social Policy in India, 2-3 July 2010 (forthcoming) 'Can private school growth foster universal Literacy– A panel analysis of Indian districts'.

(vii) Freiburg, Germany: 16 June 2011. 'Fiscal Decentralisation and Development: How Crucial is Local Politics?' at the conference on Ten years of Indonesia's Decentralisation.

(viii) IZA, Germany: 13 September 2011. 'Reforms, Development and Gender Bias: Evidence from Parental School Choice in India'.

(ix) CMPO workshop on Public Service Delivery in Developing Countries: Bristol 3-4 April 2012: Fiscal Decentralisation and Development

(x) World Bank Workshop on Growth in West Bengal, Indian Statistical Institute 7-8 January 2013: 'Self-employment and Child Labour: Theory and Evidence'

(xi) Asian Bureau of Finance and Economics Research 26-30 May 2014 'Does introduction of transparency and disclosure rules necessarily boost firm performance? Recent Evidence from Russia.'

(xii) IGC-World Bank Conference on Growth in West Bengal 26-27 December 2014: 'What explains the gender gap in private school enrolment in India?'

Recent invited presentations at UK departments/organisations:

(i) CSAE Oxford 5 Feb 2008: 'The Elite and the Marginalised: An Analysis of Public Spending on Education in the Indian States' (joint with Sugata Ghosh).

(ii) Institute of Education London 7 October 2008: Public Infrastructure, Private Schools and Quality of Schooling in an Emerging Economy'.

(iii) CSAE Oxford May 2009: Social Norms, Culture and Provision of Public Goods: Evidence from Indonesia'.

(iv) Aston Business School 27 May 2009: Capital Structure Imbalance and Productivity Growth in Transition Economies: Is There A Threshold Effect? (joint with Fabrizio Corricelli, Nigel Driffield and Isabelle Roland)

(v) Office of the Chief Economist, European Bank for Reconstruction and Development, 30 June 2009: Capital Structure Imbalance and Productivity Growth in Transition Economies: Is There A Threshold Effect? (joint with Fabrizio Corricelli, Nigel Driffield and Isabelle Roland.

(vi) Help Age International: 'Local Governance and Old Age Pension Programme in the Indian State of Rajasthan', to be presented in September 2009.

(vii) Health Economics Research Group, Brunel: 'Does Private Practice Affect Labour Supply Behaviour of Public Doctors? Evidence from an Emerging Economy', 11 May 2010.

(viii) CSAE, Oxford: Fiscal Decentralisation and Development: How Crucial is Local Politics? 19 May 2010.

(ix) Development Studies Institute (DESTIN, LSE): 6 November 2010: Fiscal Decentralisation and Development: How Crucial is Local Politics? Invited lecture to Masters students at Cumberland Lodge.

(x) Development Economics Group, VU Amsterdam. 8 June 2011. ‘‘Can Private School Growth Foster Universal Literacy? Panel Evidence from Indian Districts’

(xi) CSAE, Oxford: Fiscal Decentralisation, Institutions and Provision of Public Goods’, 23 May 2012.

(xii) Office of the Chief Economist, European Bank for Reconstruction and Development, 3rd September 2013. ‘Does introduction of transparency and disclosure rules necessarily boost firm performance? Recent Evidence from Russia.’ (joint with S. Banerjee and R. Masulis)

Conference participation: I regularly present working papers in the refereed economics conferences in the UK and abroad including Annual Meetings of Royal Economic Society, Econometric Society, European Economic Association, North-East Universities Development Convention (NEUDC, US), Mid-west International Economic Development Association (US) Allied Social Science Meetings (US, which includes AEA and AFA), European Public Choice Society, International Banking and Finance Society (IFABS), European Financial Management Association.

PhD Examination: In addition to being internal examiners to various PhD students internally, I have examined Economics PhD theses submitted to Nottingham (Child labour in Africa, 2007), Southampton (Child schooling in India, 2008), Bristol (Cognitive and Health Effects of Early Life Events 2010), Warwick (Fertility, Mortality and Schooling in India, 2011), Aston Business School (Corporate governance in China 2011), Exeter Business School (Financial Development, Inequality and Poverty, 2012), University of Monash, Australia (Essays on Human Capital Acquisition, 2012), City University (Economics of Inequality and Human Capital Development, 2013).

Journal/Book refereeing: I have refereed articles for key economics journals including Journal of Political Economy, American Political Science Review, Economic Journal, *Economica*, Journal of Population Economics, Journal of Health Economics, Cambridge Journal of Economics, Oxford Bulletin of Economics and Statistics, Economics of Education Review, Economics Bulletin, World Development, Journal of Development Studies, Oxford Development Studies, Journal of International Development, International Journal of Education Research, Review of Development Economics. I have also refereed book proposals for the Oxford University Press.

Refereeing for Research Councils: Being a member of ESRC peer review college, I regularly referee grant and fellowship applications submitted to ESRC. Besides I have reviewed applications submitted to Nuffield Foundation, Leverhulme Trust and National Science Foundation (US).

Conference/workshop organisation: I have organised a number of conferences/workshops independently and along with other colleagues.

(i) ESRC funded workshop on ‘Social Opportunity, Poverty and Development in the Indian Subcontinent’ for the ESRC Development Economics Study Group at the London School of Economics on 3rd October, 1997.

(ii) ESRC (funded by my grant RES-000-22-0200) workshop on ‘Corporate Governance, Corporate Restructuring and Corporate Finance in Transition Economies’ on 9-10 September 2005, Brunel University.

(iii) CEDI workshop on Inequality, Conflict and Development at Brunel University on 7 November 2006 (details available from CEDI website).

(iv) Programme Committee, second CEDI Annual workshop, 31 May and 1 June 2007.

(v) Program Committee, third CEDI Annual workshop scheduled for 5-6 June 2008.

(vi) Leverhulme Trust funded symposium on 'School Privatisation and Universal Education in Asia' for the Oxford Conference on Education and Development, September 2009.

(vii) ESRC funded special session on 'Globalisation and FDI' at the Royal Economic Society Conference March 2010.

(viii) I was on the organizing committee for DESTIN (LSE) 20th Anniversary conference held in September 2011.

(ix) Organised a special session on Globalisation and FDI on at the ASSA meeting to be held in Chicago 5-8 January 2012.

Important citations/uses of my research are as follows:

(a) Pal, S. 1993. 'Task-Based Segmentation of Rural Labour Contracts: Theory and Evidence' in Development Economics written by Debraj Ray, Princeton University Press. (see Table 13.3 on P.519).

(b) McNabb, R., S. Pal and P. Sloanne. 2002. 'Gender Differences in Student Attainment: The Case of University Students in the UK', *Economica*, 69, 481-503 was referred to in the House of Commons Education and Employment Select Committee fourth report.

(c) Coricelli, F. N. Driffield, S. Pal and I. Roland. 2009. 'Capital Structure Imbalance and Productivity Growth in Transition Economies: Is There A Threshold Effect?' has been cited in the Transition Report, 2009. The paper is now available as CEPR, EBRD and IZA working/discussion paper and has recently been published in the Journal of International Money and Finance (2012)

(d) UKTI invited us to present our work (JIBS 2010 and follow up work) on Indian FDI.

Research impact

Corricelli, F. N. Driffield, S. Pal and I. Roland. 2009. 'Capital Structure Imbalance and Productivity Growth in Transition Economies: Is There A Threshold Effect?' has been cited in the Transition Report, 2009. EBRD has adopted our methodology to predict proportion of vulnerable firms in each country. The paper is now available as CEPR, EBRD and IZA working/discussion paper and has recently been published in the Journal of International Money and Finance (2012).
