

Family name Stampini
First Name Marco

EDUCATION

Ph.D. in Public Economics. With honors. Sant'Anna School of Advanced Studies, Pisa, Italy. 2001.

Visiting Fellow. Harvard University, Department of Economics, Cambridge, MA. 1999-2001.

Masters in Economics. CORIPE Piedmont, Turin, Italy. 1998.

Laurea in Business and Economics. With honors. University of Bologna, Bologna, Italy. 1996.

PROFESSIONAL EXPERIENCE

Since August 2015 Social Protection Lead Specialist, Inter-American Development Bank, Washington DC.

May 2011 – July 2015 Social Protection Senior Specialist, IADB, Washington DC.

Strategies: co-led the preparation of the Inter-American Development Bank (IDB) [Strategic Framework Document \(SFD\) on Social Protection and Poverty](#).

Policy dialogue: led policy dialogue and the preparation of social protection sector notes for Peru, Guatemala, Suriname, Jamaica, Panama and Colombia. Speaker at the social protection Regional Policy Dialogue, Colombia, 2012.

Impact evaluation: co-led design and implementation of the evaluation of Venezuela's system of youth and children orchestras (*el Sistema*); led the impact evaluation of PATH's educational impacts in Jamaica.

Project preparation and execution: team leader for the preparation of social protection policy based loans in Panama. Team member for loans in Barbados, Colombia, Panama, Suriname, Jamaica and Dominican Republic.

Economic and Sector Work: led design and implementation of studies on conditional cash transfers (long term impacts; operational cycles; expansion and quality of targeting) and poverty; contributed to studies on behavioral economics applied to health projects.

Events: represented IDB at high-level events. Keynote speaker at the Forum of the Secretariat for the Social Integration of Central America (SISCA), Dominican Republic, 2014; co-organizer and main instructor at the Asian Development Bank – IDB South-South Learning Event on Conditional Cash Transfers, Manila, Philippines, 2013.

April 2009 – May 2009 Principal Research Economist - African Development Bank (AfDB), Tunis, Tunisia.

Jan. 2008-Mar 2009 Senior Research Economist - AfDB, Tunis, Tunisia.

Project evaluation – Ex-ante evaluation of AfDB's private sector operations, with focus on additionality and development outcomes. Vast exposure to business deals in Africa, in particular in the sectors of agro industry, mining, power and financial institutions.

Research – Author of studies on the following topics: Development aid and access to water and sanitation in Sub-Saharan Africa; Effects of the financial crisis on employment in South Africa; Youth unemployment in Tunisia; Sustainable development and mining in Africa.

Member of the team producing the African Development Report 2011 on “Private Sector Development as an Engine for Africa’s Development”.

Forecasting – Author of African Economic Outlook country notes (Madagascar in the editions 2008/09 and 2010/11, Comoros in 2009/10), including forecasts on the outlook of the main macroeconomic indicators.

- 2002-07** **Researcher - Sant'Anna School of Advanced Studies, Pisa, Italy.**
 Research: see list of publications.
 Teaching: Graduate Development Economics; Graduate Development Micro-Econometrics: working with household survey data; Graduate Environmental Cost Benefit Analysis.
- 2007** **Consultant. Inter-American Development Bank, Research Department, Washington DC.**
 Analysis of segmentation in the skilled and unskilled labor markets, using longitudinal data for three Latin American and three Eastern European countries.
- 2006** **Senior Lecturer. The Catholic University of America, Department of Business and Economics, Washington DC.**
 Teaching: Undergraduate Principles of microeconomics (three classes over two semesters).
- 2001-06** **Consultant. Food and Agriculture Organization of the United Nations, Rome, Italy.**
 2006: Analysis of the relationship between farming and non-agricultural labor in Vietnam. Background work for the World Development Report 2007/08.
 2002: Analysis of poverty dynamics in Nicaragua. Background work for the Nicaragua Poverty Update 2002.
 2001/02: Assessment of the impact of two Mexican cash transfer programs (Procampo and Progresa) on household investment and consumption.
- 2002-05** **Consultant. The World Bank, Research Department, Washington DC.**
 2005: Formal and informal labor in Eastern European and Central Asian countries.
 2002/03: Analysis of poverty and migration in Albania.
- 2004** **Visiting fellow at the Department of Economics of the University of Brasilia, Brazil.**
- 2000** **Teaching Assistant. Harvard University, Cambridge MA.**
 Teaching: Undergraduate Applied econometrics.
- 1997-98** **Consultant. IDSE – CNR, National Council of Research, Milan, Italy.**
 Study on the Italian manufacturing industry in the period 1911-91: Local development and dynamic externalities
- 1995-96** **Project Assistant. NGO ISCOS, Bologna, Italy.**
 Work on various development projects in the field of education.
