

David Locke Newhouse

5160 Linnean TR NW, Washington DC 20008

202 569 2554 dnewhouse@worldbank.org

Nationality: American Date of Birth: 4/21/1973

WORK EXPERIENCE

The World Bank, Washington, DC

November 2008 to present

Senior Economist

July 2013 to present

- Leading World Bank poverty analysis for Pakistan and Sri Lanka
- Managing statistical grant to improve statistical capacity in Pakistan
- Serving as regional focal point for poverty sector board

Labor Economist.

November, 2008 to June, 2013

- Conceived and co-edited “Working through the Crisis”, which captures and disseminates lessons learned from the great recession for policymakers, international organizations, researchers, and other key stakeholders to inform future policy responses to crises. Co-authored four of seven chapters.
- Led the production of three background papers for the 2013 World Development Report on Jobs. Recruited and mentored three consultant co-authors.
- Managed DGF-funded Global Partnership for Youth Employment. Focused partners on generating and disseminating evidence on program effectiveness.
- Designed and led impact evaluation for Urban Youth Employment Program, a \$16 million World Bank-funded project that provides temporary employment and on-the-job training to disadvantaged youth in Port Moresby, Papua New Guinea.

The World Bank, Jakarta, Indonesia

August, 2007 to November 2008

Senior Economist Consultant.

- Co-task team leader of “the Indonesian Jobs Report”, which analyzed employment outcomes and policies in Indonesia. Report shared with Government of Indonesia to inform ongoing debates on labor regulations and education.
- Co-authored 6 of 10 chapters
- Co-led four team members in authoring chapters. Encouraged junior staff to take on more responsibility and provided mentorship and presentation opportunities.

International Monetary Fund , Washington, DC

August 2004 to July 2007

Technical Assistance Advisor.

- Participated as team member on missions to Bangladesh, Ghana, the Gambia, Honduras, the Philippines, Senegal, and Sudan to co-author reports on the incidence and size and of food and fuel subsidies and options to compensate poor households for price adjustments. Shared analysis in discussions with counterparts in the Ministry of Finance in Bangladesh, Ghana, and the Philippines.

Federal Trade Commission, Washington DC
Staff Economist.

August 2002 to July 2004

- Estimated consumer injury from loan data and explained methodology to staff attorneys in cases brought by Bureau of Consumer Protection against fraudulent lenders and mortgage servicers

The World Bank, Jakarta, Indonesia
Short-term Consultant.

June 1999 to August 1999

- Replicated and verified statistical office's calculations of national poverty lines using Indonesian household survey data for SMERU, a local research institute.

EDUCATION
