

## CURRICULUM VITAE

Dr. Maarten Vendrik

### Personal particulars

Name: Maarten C.M. Vendrik  
Office address: Department of Economics, Maastricht University, P.O. Box 616, 6200 GV Maastricht  
Home address: Eikenhoven 17, 6225 GV Maastricht  
Telephone: 043-3883638 (office)  
043-3624144  
Fax: 043-3884878  
E-mail: M.Vendrik@algec.unimaas.nl  
Date of birth: June 10, 1950  
Place of birth: Utrecht  
Marital status: married  
Sex: male  
Nationality: Dutch

### Education and degrees

Municipal Gymnasium  $\beta$ , Nijmegen, graduated 1968

Catholic University of Nijmegen

Doctoral in physics (Master's degree): 1976 (cum laude, with teaching qualification)

Main subject: theoretical physics

Subsidiaries: mathematics, philosophy of science, analytical philosophy

Erasmus University of Rotterdam

Doctoral in econometrics (Master's degree): 1986 (cum laude)

Main subjects: econometrics, theoretical economics, mathematical economics

Final research: dynamical model of adjustment costs with empirical application to U.S. manufacturing data

Electives: public finance, mathematical economics, sociology, economic ethics and several other courses in economic and social philosophy

### Language qualification

English: good command

German and French: fair knowledge

### Professional experience

1970-1972: teaching assistantships in mathematics and physics

1976-1977: pilot study about environmental-biological contribution to (economic) world models, supported by Prof. Dr. J. Tinbergen, at Institute of Theoretical Biology of University of Leiden

1977-1979: preparing and writing two extensive international journal articles in theoretical physics, supported by Prof. Dr. H.W. Capel (theoretical physics, Leiden)

1978-1984: research assistantship in industrial economics, supervised by Dr. F. Muller, in macroeconomics department of Erasmus University at Rotterdam

1986-1992: research fellowship for doctoral research about non-linear dynamics of collective habit formation and social norms in labour supply, supervised by Prof. Dr. J.

	Muysken and Prof. Dr. C.R.J. de Neubourg, in economics department of Maastricht University
1992-present:	assistant-professorship in microeconomics in economics department of Maastricht University
1994:	post-doctoral research fellowship (4.5 months) in economics department of Maastricht University
2003:	research visit to Institute for Business Ethics in St. Gallen, Switzerland
2006-present	research fellow IZA, Bonn University
2011-present	research fellow METEOR, SBE, Maastricht University
2012-present	fellow EHERO, Erasmus University, Rotterdam
2013-present	fellow ROA, SBE, Maastricht University

### **Teaching experience**

*1986-1992:*

Teaching first and second-year economics and business-administration students (a.o. macroeconomics)

*1993-present:*

- Developing microeconomics and sociology parts of social-economics course for first-year business-administration students and teaching in this course
  - Developing half of public finance course for second-year economics and fiscal economics students and teaching in this course
  - Developing and teaching in microeconomics course for second-year economics students
  - Teaching in microeconomics course for second-year students of University College Maastricht (UCM)
  - Developing and teaching in course on new institutional economics for second-year economics students
  - Teaching in public economics course for second-year economics students
  - Teaching in public finance course for third-year Bachelors fiscal law students
  - Developing and teaching in courses for third and fourth-year economics and business-administration students on:
    - Economic organisation theory
    - Economic theory of strategy
    - Gender in economics and management
    - Economic psychology for Masters in International Economic Studies and third-year Bachelors in International Business and UCM
- Developing and teaching in skills trainings on:
- Game-theoretical experiments
  - Writing a review
  - Project evaluation (Bachelors Economics and International Business)
  - Developing sessions and giving lectures for interfaculty course on gender and diversity
  - Block coordinator of course on network society and planning group member of courses on cross-cultural reflection and ecology and economics
  - Proposal for thematic minor on gender and diversity for Bachelors International Management and International Business

### **Supervision of MA and PhD theses and honours students**

- Supervision of masters' theses in labour and institutional economics, gender economics, environmental economics, happiness economics, healthcare, property rights in music industry, fiscal economics
- Supervision and co-promotor of PhD thesis on integrated economic-psychological investigation of labour market discrimination (together with Prof. Dr. P. de Gijssel), PhD degree in 2003
- Supervision and co-promotor of PhD project on adaptation and social interaction in happiness (together with Prof. Dr. A. Riedl), started in August 2006 and ended in 2011
- Supervision and co-promotor of PhD project on endogenous preference dynamics in female labour supply (together with Prof. Dr. T. Dohmen), started in September 2009

- Supervision of 2<sup>nd</sup> and 3<sup>rd</sup> year honours students

### **Areas of research specialization**

- Happiness and public economics
- Labour and institutional economics, in particular dynamics of labour supply
- Integration of psychological and sociological insights into economic analyses, in particular endogenous (non-linear) dynamics of preferences and social norms in labour supply

### **Presentations**

#### *Before 1995:*

Presentations on conferences of EEA, IAREP, SASE (invited), EALE, Conference in honour of Amitai Etzioni, Ecozoekdagen.

#### *Since 1995:*

- Presentations on dynamics of social norms in female labour supply: University of Limburg, Maastricht; Erasmus University, Rotterdam; JOG, University of Eindhoven, 1995; EALE (European Association of Labour Economists) Conference, Chania, Crete, 1996
- Presentation of invited paper on bandwagon and habit effects in female labour force participation and discussant at International Seminar in Public Economics (conf.) on "The Economics of Status", Bonn, 1996
- Presentation of same paper on NAKE Research Day, Tilburg, 1997
- Presentation on dynamics of household norm in female labour supply, EALE Conference, Blankenbergh, 1998
- Presentation on bandwagon effects on female labour force participation, EALE Conference, Regensburg, Germany, 1999
- Presentation of project proposal on social welfare consequences of telework, Infonomics Institute, Maastricht, 2000
- Lecture about "De man als huisman: held of watje", Center for Gender and Diversity, Maastricht, 2000
- Interviewed on discussion meeting of magazine Opzij on caring fathers, Maastricht, 2000
- Presentations on bandwagon model of female labour force participation on conference of Workshop on Economics with Heterogeneous Interacting Agents, Maastricht, 2001, and NAKE Research Day, Amsterdam, 2001
- Presentations on psychological versus economic effects of competition on discrimination on NAKE Research Day, Amsterdam, Oktober 2002, and in Mima and ROA seminars, Maastricht, December 2002, and June, 2003.
- Presentation on positional externalities in consumption and government policy, Utrecht School of Economics, February, 2003
- Presentation about research on positional externalities and government policy, Utrecht School of Economics, March, 2003
- Co-presenter on experienced versus decision utility of income, conference on the Paradoxes of Happiness in Economics, Milan-Bicocca, March, 2003
- Presentations about identification, screening and stereotyping in labour market discrimination, Utrecht School of Economics, September, 2004; NAKE Research Day, Amsterdam, Oktober 2004; EEA conference, Amsterdam, August 2005
- Presentations about happiness and loss aversion, conference on Capabilities and Happiness, Milan-Bicocca, June 2005; Applied Economics Seminar, Maastricht, March 2006; IZA Seminar, Bonn, April, 2006; EALE Conference 2006, Prague, September 2006; 5<sup>th</sup> Tilburg Symposium on Psychology and Economics, September 2006; conference on Policies for Happiness, Siena, June 2007.
- Presentations about adjustment of labour force participation to labour demand, EALE conference 2007, Oslo, September 2007; Applied Economics Seminar, Maastricht, February 2008.

- Presentations about social reference and adaptation effects on happiness, GSOEP conference 2008, Berlin, July 2008; IIPF conference 2008, Maastricht, August 2008; HEIRS conference 2009, Venice, June 2009; seminars in Maastricht, Readings and The Hague (CPB), 2010.
- Column about adjustments of labour force participation to labour demand, 24ormore Conference, Task Force Part Time Plus, Amsterdam, November 2009.
- Studium Generale Lecture, Geld of werk: Waar wordt je gelukkiger van?, Hogeschool Zuyd, Heerlen, October 2010.
- Presentation about adaptation, anticipation and social interaction in happiness, HEIRS conference at Milano, June 2011; Quality of Life conference at SCP in Den Haag, September 2013; EALE conference at Torino, September 2013 (poster).
- Presentation about happiness research in Maastricht, EHERO, Erasmus University Rotterdam, February 2013.
- Presentation about happiness effects of pension reform, HEIRS conference at Rome, June 2013; EHERO conference at Rotterdam, October 2013.

### **Professional activities**

- Membership of study group about "economics of enough" and labour of Multidisciplinary Center for Church and Society, Driebergen, 1982-1983
- Organisation of workshop of Association for Post-Keynesian Economics (APKE) about "Relations between economics and culture", Rotterdam, 1993
- Membership of Interfaculty Center for Gender and Diversity, Maastricht University, 1996-present
- Consultant for labour force participation on consultation meeting of OECD for country investigation of the Netherlands, Ministry of Economic Affairs, The Hague, May 2007.
- Participation in panel discussion on "Economic growth versus social security: The future of social Europe", Conference of Student Association of European Studies, Brussels, March 2008.
- Participation in panel discussion on "The Future of Happiness", Workshop of Club of Amsterdam, Hogeschool Amsterdam, November 2010.
- Participation in panel discussion on "National distribution of economic wealth", Debate Café SCOPE and Studium Generale, Maastricht University, February 2013.

### *Referee for:*

American Economic Review  
 Journal of Public Economics  
 The Economic Journal  
 Journal of Economic Dynamics and Control  
 Journal of Economic Behavior and Organization  
 Eastern Economic Journal  
 Journal of Economics  
 Labour Economics  
 Kwantitatieve Methoden

### *Reviewer for:*

Palgrave, Macmillan Publishers (text book on institutional economics)

### *Member of:*

European Association of Labour Economists (EALE)  
 Happiness Economics and Interpersonal Relations (HEIRS)  
 Royal Netherlands Economic Association

## **Prize**

Prize for best poster on “Social reference and adaptation effects on happiness: A dynamic error-correction approach” on GSOEP conference 2008, Berlin (together with Gulcin Montesoglu)

## **Administrative experience**

1971-1973: student member of department council of department of physics, Nijmegen  
1973-1974: student member of daily board of department of physics, Nijmegen  
1988-1994: treasurer of Belgian-Dutch Association for Post-Keynesian Economics (APKE, currently AIPE)  
1993-1997: secretary of overall-test committee  
1995-2005: faculty coordinator of gender education and research  
1998-2000: chairman of faculty educational committee for economics  
1998-2000: member of faculty educational committee for fiscal economics  
1999-2003: company relief worker  
1999: member of selection committee for professor in microeconomics
